Highly motivated and driven college student with a passion for software development. Currently learning and honing my skills in various programming languages and technologies. Eager to apply my theoretical knowledge and gain hands-on experience in a professional setting. Strong problem-solving abilities and a quick learner, ready to contribute towards developing innovative solutions and projects. Seeking an opportunity to kickstart my career and grow as a successful developer in the industry.

Key Skills

- JAVA
- PYTHON
- DIGITAL MARKETING
- COMMUNICATION
